OnPoint Community Credit Union
2023 J. Scott Campbell Award

“We know that the Pacific Northwest is a uniquely beautiful spot, and having public places like parks and trails to help people feel more connected to the environment (and their neighbors) is key to a strong community,” says Amy Reeves, Vice President and SW Washington Area Manager.

OnPoint Credit Union is a valuable partner and a staunch supporter of the PFCC, and has been instrumental to the ongoing success of the PFCC.

Through volunteer engagement, financial contribution, and board leadership (Amy Reeves), OnPoint is a great example of comprehensive corporate engagement to advance the mission of the PFCC.

Amy shares, “It’s our purpose to build strong communities, and we’re excited to continue supporting your work to create spaces and recreational programs that everyone can enjoy. We hope all of you will join us in supporting PFCC’s mission.”

Thank you OnPoint for your dedication to great parks, trails, open spaces and recreation programs in Clark County!
